

The **Atholl Palace Hotel** has much to recommend it:

- ample car parking,
- a large dance hall,
- staff accustomed to the timing needs of SCD events,
- a range of leisure activities
- pleasant walks

It is a short walk into the town itself, and a short drive to the renowned House of Bruar shopping complex. Pitlochry is also a good base for those who wish to add on a few days, perhaps to visit the Festival Theatre, or to explore Highland Perthshire.

The **Alan Ross SCD Band** is well-known on the dance circuit and has played for our Weekend for many years.

**Lesley Ross** has been a member of Clackmannanshire branch for more than 25 years and has taught for many years in Stirling & Alloa. She started dancing at primary school in Dollar, competing in festivals for several years. Lesley attended Summer School for the last 4 years, participating in the 'High Impact' class, and gaining her teaching certificate there. She has been involved in recording dance instruction videos, which have received worldwide praise. Many of you know her as Alan's wife, travelling with him all over the UK, including Pitlochry! We are delighted to have her as our teacher this year.

**If you have any special room or access requirements, please bring these to the attention of the organisers at the time of booking**
