

The **Atholl Palace Hotel** has much to recommend it:

- ample car parking,
- a large dance hall,
- a range of leisure activities
- pleasant walks

It is a short walk into the town itself, and a short drive to the renowned House of Bruar. Pitlochry is also a good base for those who wish to add on a few days, perhaps to visit the Festival Theatre, or to explore Highland Perthshire.

The **Alan Ross SCD Band** is well-known on the dance circuit and has played for our Weekend for many years.

We are delighted to welcome **Janet Johnston** this year. Janet and her sisters were brought up in West Fife and learned to dance as children. She has attended Summer School regularly since 1984 and gained her Teaching Certificate there. She has taught evening, day and week-end courses throughout the UK and across the globe. Janet is a member of RSCDS Stirling branch, and coordinates any Branch demonstrations. She presently shares the teaching of the Ochils Club with Lesley Ross. She is delighted to return to the East Lothian week-end where she has always been made very welcome.

If you have any special room or access requirements, please bring these to the attention of the organisers at the time of booking
