At third roundabout, take the 2<sup>nd</sup> exit onto Alder Road.

Continue for 700 metres to the 'T' junction at the end of Alder Road.

Turn left, and then after 200 metres turn first left again into South Seton Park.

Port Seton Centre is 300 metres along South Seton Park, on the right.

Google maps may direct you to take the 3<sup>rd</sup> exit on the 2<sup>nd</sup> roundabout onto the A198 and then turn left directly onto Fishergate Road from the A198.

This will get you there, but after leaving the A198, Fishergate Road winds over a narrow bridge and through a farmyard, where it is unlit. Alder Road is wide and well lit.
